“CLA had the pleasure and honor to have Allan Koltin join us at our Owner Promise Meeting in January 2020. While Allan's knowledge of the industry impressed all in attendance, it was his natural ability to connect with our Owners and address their future opportunities, challenges and threats....causing Allan's presentation and interaction to be rated the top session of our event. While Allan was very familiar with CLA, he was also very familiar with the many Owners who he consulted with on their journey to join CLA. Allan's connections, knowledge and willingness to speak openly and honestly with CLA made his time memorable and incredibly impactful.”
